Northern Children's Network Inc has been providing quality care for children from birth to 12 years of age in Tasmania since 1975.

We are a not for profit organisation governed by a skills based Committee of Governance.

Our mission is to provide a network of community based care and learning that focuses on empowering children in fun and safe environments.

NCN offers families a range of child care options

- Family Day Care (State-wide)
- Long Day Care (9 Centres)
- Vacation Care (All LDC Centres & Amy Road Launceston)
- After School Care (6 individual programs)
- Careers Opportunities in Child Care

All NCN services participate in the National Quality Framework.

Your Evandale After School Care program is about play and leisure combined.

NCN care environments support children in discovering new skills, new ideas, how to manage behaviours and manage risk taking as a natural part of play, discovery and learning.

We aim to support and respect the Evandale Primary School ethos in our care practices including assisting children prepare for their ever changing world.

NCN encourages children to explore the freedom of being a child as they connect with their peers and have fun in their environment.

Our Educators are qualified and experienced with the 4 to 12 year age group. They understand after a busy day at school it's important to relax and have some leisure time to recharge the batteries.

NCN develops After School Care programs that are based on the children's interests. We encourage all children to express their thoughts and ideas for the development of their unique program.

Child Care Fee Assistance

NCN strives to provide quality, affordable care. We welcome all families within the Evandale community to utilise our new and exciting service.

NCN also provides access to a variety of Government Benefits, through the Department of Human Services (Centrelink), to assist families with the costs of child care.

Please note that regardless of your income, you may be eligible for assistance, so please contact the FAO on 136 150 to register and find our more.

Our Business Services officer is able to provide families with an estimate of their likely out of pocket charges once families know their child care percentage from Centrelink.
