Northern Children's Network Inc has been providing quality care for children from birth to 12 years of age in Tasmania since 1975.

We are a not for profit organisation governed by a community Committee of Governance. Our mission is to provide a network of community based care and learning that focuses on empowering children in a fun and safe environment.

We are proud to be the supporting body of your child care centre and will continue to strive to provide a supportive service for your family.

We offer Tasmanian families a range of child care options:

- **Family Day Care (Statewide)**
- **Long Day Care Centres**
- **School Holiday Care programs**
- **After School Care programs**
- **Careers Opportunities in Child Care**

All NCN services participate in the National Quality Framework.

## Welcome to our Westbury Before and After School Care program.

Our Westbury After School Care program is about play and leisure combined.

NCN care environments support children in discovering new skills, new ideas, how to manage behaviours manage risk taking, as a natural part of play, discovery and learning.

We expect social acceptance, tolerance of other's abilities and limitations.

NCN encourages children to explore the freedom of being a child as they connect with their peers and have fun in their environment.

Our Educators are qualified and experienced with the 5 to 12 year age group. They understand that after a busy day at school it's important to relax and have some leisure time as the children recharge their 'batteries'.

NCN develops After School Care programs which are based on the children's interests. We encourage children to express their thoughts and ideas for the development of their program.

## Child Care fee Assistance

NCN strives to provide quality, affordable care. We welcome all families within the Westbury community to utilise our service.

NCN also provides access to a variety of Government Benefits, through the Department of Human Services (FAO), to assist families with the costs of child care.

Please note that regardless of your income, you may be eligible for assistance, so please contact the FAO on 136 150 to register and find out more.

NCN Business Services team is able to provide families with an estimate of their likely out of pocket charges once families know their child care percentage.
